Sponsored by: Steve Newman Jr.

This petition requests that all government officials, regardless of political party, religion, race, sex, or orientation recognize the need for equal rights concerning current marriage laws. You are being asked to consider the large homosexual population in America and their request for recognition and equal treatment and benefits that are freely given to heterosexual couples. These laws need to change in able to support the doctrines of the United States Constitution. The current laws have been found to be unconstitutional and promote intolerance in this country. The right given to two consenting adults, who love each other should not be awarded to some and denied to others. This is pure discrimination. We ask you to do everything in your power to protect the laws regarding equal marriage rights for all couples, heterosexual and homosexual. To do this, the right to marry must be available to all. The people of this country have elected you to better the conditions of this land ... [more](#)

# 118	13:20, Aug 12, Shane Plumley, DE You love, You marry, I love I can't marry. Where is my right for EQUALITY? That's all I ask! If majority vote ruled at the time, we may not have women voting of equal rights for African Americans. IT'S A FUNDAMENTAL RIGHT!

# 116	20:06, Aug 04, Ashley Clendaniel, DE All i want is to be able to marry the one i love regardless of who they are...marriage after all is a ceremony to show the bond of two people who willfully decide to live there lives as one. and dedicate there lives to one another...and as an american i should have that right to decide and dedicate my life to who i want no matter if we are of the same sex...

WE ARE PEOPLE WITH FEELINGS AND MUST STAND UP FOR RESPECT AND DEMAND EQUALITY FOR US AND WHO WE ARE. WE DESERVE THE SAME RIGHTS AS EVERYONE ELSE. NO ONE SHOULD BE ABLE TO TELL US THAT WE CAN NOT MARRY LEGALLY BECAUSE WE ARE IN LOVE WITH SOMEONE OF THE SAME SEX. HOW CAN YOU TELL SOMEONE WHO TO FALL IN LOVE WITH??? WHY WOULD YOU WANT SOMEONE FEELING FORCED TO LIVE SOCIETY'S PERCEPTION VERSES WHAT YOU FEEL IN YOUR HEART? HOW COULD YOU FEEL BETTER WITH EVERYONE BEING THE SAME AND NOT EMBRACING THAT THEY ARE DIFFERENT?? WOULD YOU BE OK WITH WOMEN FORCING THEMSELVES TO MARRY A MAN THEY WILL NEVER LOVE BECAUSE SOCIETY SAID SO OR WOULD YOU LIKE TO SEE TWO PEOPLE IN LOVE AND MARRIED REGARDLESS OF THEIR SEX? HOW WOULD YOU FEEL IF A WOMAN STAYED IN A RELATIONSHIP WITH A MAN SHE WASN'T HAPPY WITH IN NO ASPECT OF IT BECAUSE A WOMAN IS WHAT SHE FEELS IN HER HEART SHE SHOULD SPEND THE REST OF HER LIFE WITH?? WHO IS TO TELL HER DIFFERENT FROM WHAT SHE FEEL?? PLEASE GIVE US THE RIGHTS WE DESERVE. WE HAVE LIVED TOO LONG IN AND FOR THE EYES OF OTHERS ITS TIME THAT WE GOT WHAT IS WELL OVERDUE AND TREAT US THE SAME! GIVE US OUR RIGHTS! LET US MARRY WHO WE WANT! THE LAW SHOULD BE AS LONG AS WE ARE MARRYING ANOTHER HUMAN BEING WHO IS HUMANLY CAPABLE OF COMMITTING TO THE MARRIAGE DURING THE TIME OF THE COMMITMENT CEREMONY IT SHOULDN'T BOTHER ANYONE!</p>

People must be accepted, and not judged either by their race, religion, or sexual orientation. It is unimaginable that in this day and age, people still wish to ban same-sex marriage. If you don't agree with it, that's fine, keep your preference to yourself. But not allowing it is intolerable. Marriage is supposed to be about love; it doesn't matter if two women or two men wish to be married. Please give everyone EQUAL RIGHTS!</p>

Love is love no matter which way you look at it. The people who've signed below telling us about their life partners should have the right to marry. If it's such a great religious issue, it shouldn't be in government, and if it's about the government, religion shouldn't enter the equation. I am straight, I am Texan, I am 17 years old, and I support gay marriage.

Isaid before,why do we pay the same taxes and don't have the same rights.If we all stop paying taxes and demand equal rights,the government would take as the force we can be.Been with my Partner 6years annd love we have feeds into my son and our Grandchildren.We get told by all our friend,Straight or Gay they would love to have what we share and that is true love to each other and plenty to share.And we are young Grandparents.

My life partner and I have been together 45 years. He is 81 and I am 68. Before one of us dies, I would like us to have the same tax benefits that now are accorded to heterosexual couples. It is only right.Ronald Tipton

Please allow committed couples who love each other and who are raising families in Delaware to have the same rights and protections other married couples and Delaware families. Delaying action hurts people needlessly. The institution of marriage will not suffer, it will strengthen. And all Delaware families can live peacefully, safe in secure that their futures are protected by the law.

It is un-American for only some citizens to have full civil rights. It is also un-American for the majority to decide whether a minority should or should not have full civil rights.

Same-sex marriage; Why leagalize it? That's what people are asking. Well, I know the answer. The government should have no say over who we can love, and who we can't. I, myself, am straight. However, about ninety percent of my friends are gay, or bi-sexual. It hurts me knowing they will never be able to legally love, and marry, who they want. So, let's legalize it!
